

# 2021 Hawke's Bay Health Awards

Te whakatinanatanga o te manaaki

## The Future of Health Award

Working in health requires us to respond to understanding mātauranga Maori, changing technology, increasing demand and new ways of working. Implementing successful changes requires increasing our knowledge, analysis and planning.

This award category celebrates new ways of working through exploring and researching viable options and developing the best solutions for our needs. This category is for an individual or team that has successfully trialled and embedded innovative change(s) to improve care for patients and whanau and delivering health equity.

*PLEASE NOTE: You can only enter one category for each individual/team. Before you start, check the criteria and what the judges are looking for in each of the categories to determine the best one to enter.*
